REMARKS.

25X1X

26 June 1949

1. There was intensive formation flying in groups of 9 Pe-2s each at the ORANIENBURG (N 53/2 67) airfield on 26 June 1949. Twin-engine DC-3 aircraft and U-2 biplanes were also observed at the field. Construction work was not observed. Two passenger cars, [redacted] left the field.

25X1B

25X1A 2. Comment:

The report does not indicate the strength of occupation of the ORANIENBURG airfield. The observed flying activity [REDACTED] 25X1B [REDACTED] show that the airfield is still occupied by bombers. Two bomber regiments have been assumed to be stationed in ORANIENBURG. Due to the fact that the observations were made on a Sunday, no construction work was seen.
